## At Least 50,000 Are Homeless In Western Flood

Loss In Columbia River  
Disaster Estimated At  
Over \$100,000,000

## DEATH TOLL IS STILL UNCERTAIN (BULLETIN)

PORTLAND, Ore., June 2.—(INS)—The Pacific northwest's greatest flood surged past a sandbagged but soggy Portland and Vancouver area early today and turned its fury on heavily-barricaded smaller towns of the lower Columbia valley.

As the crest came at the Oregon metropolis, reports of dead in the 1,500-mile Columbia river basin reached 24, with at least 50,000 homeless and property damage past the \$100,000,000 mark.

But Vanport City, just north of Portland, lay prostrate beneath a 20-foot-deep lake which smashed down on the housing project with no warning three days ago.

Of its 18,000 inhabitants, thousands fled. Estimates of loss of life ranged today from nothing—not a body has been recovered yet—to 2,000.

Another 20,000 Flee

Another 20,000 fled the lower Columbia yesterday as dikes softened along the river's last 90-mile rush to the broad Pacific.

The situation was expected to be perilous in the lower Columbia today after Portland apparently passed its most critical stage yesterday. The weakest link in the chain of dikes was on the Cowlitz river at Kelso. South Kelso's 4,000 residents were evacuated before this threat Monday. Damage in the Kelso-Longview area was set at \$10,000,000.

The largest break was north of Woodland, Wash., where an added 8,000 acres of rich tulip bulb land within dikes became a boiling sea in one hour.

Declared "Disaster Area"

(From the nation's capital, President Truman declared the Columbia river basin a "disaster area." Federal aid was authorized and the National Red Cross increased its relief funds to \$100,000 to meet mounting crises.)

The river crest virtually cut off Vancouver's 35,000 people and flooded an estimated 10 miles of North Portland, including the stockyard and industrial areas, and a low-lying rail and riverdock sections.

Only a few inches of the top of the Portland seawall along the Willamette river stood between the crest and square miles of rich business district.

Hits 30-Foot Crest

The river hit a 30-foot crest and fell off half a foot. The crest was reached late yesterday.

The river is scheduled to fall a (Continued on Page Two)

## Pa New Observes

Employees of the Pennsylvania Power Company, using a machine for erection of the new poles for the new street lighting system on Washington street, had quite an audience while they were at work on Tuesday afternoon, near the Mercer street intersection.

Resurfacing of several north hill streets is nearing completion. Residents of the streets had some difficulty with the traffic problem yesterday, being obliged in some instances to park their cars on Delaware avenue.

A little burning is a dangerous thing. The National Safety Council warns that sunburn not only is uncomfortable but it can be dangerous. Above all, don't take a nap in the sun, is the warning.

## Tractor Accident Takes Man's Life

HONESDALE, Pa., June 2.—(INS)—Warren Voeste, 19, of Dreher township, Wayne county, was burned to death today when a tractor he was operating upset and the gasoline tank exploded.

Coroner Vernon Walsh said Voeste was pinned beneath the machine when it rolled over a stone wall.

## Seven Doctors In Germany Hanged

Hitler's Personal Physician  
And Six Other Doctors  
Are Executed

## CONVICTED IN NAZI OUTRAGES

LANDSBERG, Germany, June 2.—(INS)—Dr. Karl Brandt, personal physician of Adolf Hitler, and six other doctors responsible for the deaths of thousands through the Nazi euthanasia program, were executed today.

Dr. Brandt, one-time supreme German medical authority, and the others were hanged on gallows in the Landsberg prison yard only a few yards from the cell where Hitler wrote his "Mein Kampf" while imprisoned in 1924.

Dr. Brandt was the first to die. "An Act Of Vengeance"

Before the trap was dropped from under him he made a last-minute statement in which he charged that the sentence was passed on him as "an act of vengeance."

All seven were convicted at Nuernberg in August of last year by an American tribunal.

They were charged with criminal activities in connection with Hitler's euthanasia program which resulted in the extermination of thousands of non-German and German "guinea pigs."

Their victims died in experiments used to test human endurance against freezing, poison gas, malaria, cholera and high altitudes.

Those who died with Hitler's own physician included Doctors Karl Gebhardt, Rudolf Brandt, Wolfgram Sievers, Victor Brack, Waldemar Hoven and Joachim Mrugowsky.

## Free Swimming Campaign Starts At 'Y' June 7

The annual free swimming campaign, conducted by the central branch of the Y.M.C.A., will begin June 7 at 1:30 p. m. The classes are open to all boys, and are not limited to members of the organization.

Expert instruction will be given in all phases of the water sport, from beginning strokes through the more advanced stages. There will be no charge for the classes. Boys must have their parents' permission to enter.

The annual campaign is aimed to give all youths of the city instruction and thereby reduce the death toll which every summer strikes at recreation points throughout the county and the state.

## Mrs. W. W. Davis Dies At Grove City Home

Mrs. W. W. Davis, of 210 Edgewood avenue, Grove City, died at her home Tuesday afternoon at 1:30 o'clock after an extended illness, according to a message, received here by friends.

## Believe Arab Armies Operating On Master Plan In Palestine

By BENN FELLER  
(U. S. Staff Correspondent)

JERUSALEM, June 2.—Jewish military officials are convinced that Arab armies are now operating under a "master plan" for the conquest of Palestine.

This plan, they say, is the work of King Abdullah of Trans-Jordan, the wily Arab monarch who, like most military strategists, prides himself on his game of chess.

Outgrows Skirmish Stage

The Jews feel that the Arab campaign has definitely outgrown the "skirmish" stage of haphazard attacks. Arab armies are currently engaging in coordinated campaigns, each with a definite objective.

Assuming that the United Nations truce is observed for four weeks, Hagana spokesmen expect that when and if fighting is resumed, the Arab overall plan will follow these lines:

First, Egyptian forces from the south and Arab Legion troops striking from central Palestine will attempt to wrest Jaffa from Israeli control.

This would give the Arabs the port they so badly lack.

## More Billions Voted By House Committee For U. S. Armed Forces

WASHINGTON, June 2.—(INS)—The House appropriations committee today voted an additional six and a half million dollars for the Army and Air Force in the wake of a warning by Army Chief of Staff Bradley that war with Russia is "a plausible possibility."

The new appropriation brought to almost twelve and a half billion dollars the amount available for expenditure by the two services during the 1949 fiscal year beginning July 1, including funds previously appropriated.

This does not include the almost four billion dollars requested for the Navy, which the committee has also approved.

Subject To Congress Action

The committee's action, subject to approval by Congress, provided for an Army and Air Force which would reach 1,250,000 officers and men by June 30, 1949, an increase of 327,000 over the existing strength of the Army and Air Force.

The Army's strength would be increased from 548,000 to 865,500 and the Air Force from 375,000 to 444,500. America's Army-Air Corps strength at the outbreak of war was 1,500,000.

Army Secretary Royall told the committee in an unusually frank discussion that "I do not suggest that war is imminent," adding that in some honorable way our nation can avoid it.

## New Injunction May Be Granted Against Lewis

WASHINGTON, June 2.—(INS)—Federal Justice T. Alan Goldsborough hinted today that he will grant an injunction forcing the United Mine Workers to bargain with the Southern Coal Operators Association as ordered by the National Labor Relations Board.

Goldsborough said that a national coal walkout at the expiration of the miners conference June 30 would be a "national tragedy."

M. E. Bolarsky, UMW attorney, argued that the court has no power to issue such an injunction because there is no emergency. Goldsborough replied he considered the threat of a coal strike a national emergency and said:

"If you mean by that that the court has to wait until there is a walkout before it takes action the court doesn't think that that's a practical suggestion."

## Stassen Would Send U. S. Navy To Palestine

PHILADELPHIA, June 2.—(INS)—Harold E. Stassen proposes that the United States send the navy to Palestine to prevent continued bloodshed.

The former Minnesota governor suggested the navy be used to back up a new U. S. Holy Land policy to be formulated by a bipartisan conference of political leaders.

In a major address to a veterans' rally in Philadelphia last night, Stassen also urged that the United Nations send a land police force to Palestine.

## LASSER RESIGNS

WASHINGTON, June 2.—(INS)—David Lasser, Commerce department official, under attack by some members of Congress for once having been president of the Workers Alliance, has resigned his government post it was disclosed today.

Lasser served in the Commerce department as a labor consultant with the Office of Industry Cooperation.

Local Civic Organization To Be In Charge Of Presentation  
In Ellwood City

This evening at 7 o'clock the charter will be presented to the newly organized Wolves club in Ellwood City, with the local group in charge of the "charter-night" ceremonies.

A dinner and program has been arranged for the occasion, with activities scheduled to get underway at 7 o'clock in the Catholic Center of Ellwood City.

Local president Nicholas Casandra will present the charter to Attorney Michael Barletta, new president. Upwards of 100 persons will attend, to hear the group of well-known speakers.

The Ellwood City Wolves club will be known as Den No. 2 of the Wolves club.

## Reach Accord On Western Germany

WASHINGTON, June 2.—(INS)—The state department announced today that a full accord has been reached on the future control of western Germany by the six interested powers which have been in conference at London for the past six weeks.

The nations participating included the United States, United Kingdom, France, the Netherlands, Belgium and Luxembourg.

## Deny Speculation On Stassen Ticket

HARRISBURG, June 2.—(INS)—Speculation that Gov. James H. Duff would land the vice-presidential plum on the Stassen slate was denied today by Republican presidential hopeful Harold E. Stassen.

Duff and Stassen emerged from an hour-long conference at the state capital apparently in hearty accord when the ex-Minnesota governor planned a label of "extreme speculation" on Duff's reported candidacy.

## BOARD TO MEET

The board of directors of the Lawrence county unit, American Cancer society, will hold its regular meeting Thursday at 4:15 p. m. in The Castleton hotel.

## Largest Senior High Class Is Graduated On Tuesday Night

Five hundred thirty nine young men and women—the largest class ever to be graduated from senior high school—received their diplomas Tuesday night, June 1. The commencement, the ninetieth of the school history, was held in the Cathedral.

For the rather unusual commencement the Cathedral was filled to capacity. The middle section and half of the right and left sections downstairs were taken up by the graduates. The balance of the first floor, and the first and second balconies had every seat filled with families, relatives and friends of the graduates.

Dr. Scharfe, Speaker

The commencement speaker was Dr. Howard C. Scharfe, pastor of Shady-side Presbyterian church, Pittsburgh. Taking as his subject "What Use Will You Make Of What Is Left?" his was a forthright message, challenging the graduates to a life of service and usefulness.

The Program

The graduates filed in to the "Coronation March" played by the senior high school band. The band was on stage and scattered here and there among the musicians were caps and gowns of graduates. For them it was the last (Continued on Page Five)

## Boat Sinking Cost 28 Lives

Eighteen Sailors And Ten Marines Lost In Motor Launch Capsizing

NORFOLK, Va., June 2.—(INS)—A 12-ship naval task force was en route to the Mediterranean area to replace fleet units after losing 28 men who were drowned when a motor launch capsized off Hampton Roads, Va.

Eighteen sailors and 10 marines lost their lives while returning in the 50-foot barge from a party of Norfolk to the aircraft carrier Kearsarge. There were 68 survivors among the 98 men aboard the craft.

The disaster occurred Monday night when storm swept seas swamped the launch several hundred yards from the carrier and tossed the men into the dark waters.

The task force was scheduled to sail at 5 a. m. yesterday but the tragedy delayed its departure until late in the day.

Sixty-five of the men were fished out of the water by launches and rescue boats which quickly sped to the scene of the accident while three others swam two miles to shore.

## Girl Tells Police She Killed Lover

Attractive Ethel Wooding, 21, Of Winthrop, Mass., Confesses Kentucky Slaying

PITTSBURGH, June 2.—(INS)—A weeping young brunette surrendered to Pittsburgh police today and said she killed her childhood sweetheart on May 25 on a lonely highway near Middlesboro, Ky.

Police identified the woman as Ethel Wooding, 21, of Winthrop, Mass.

She told North Side police she had shot and killed Gilbert A. Taylor, 24, also of Winthrop, Mass., because he forced her to aid him in a holdup.

The girl, attired in blue jeans, sweater, sandals and green raincoat, said she and Taylor held up a department store in Winthrop.

Later, she said, they joined a carnival which traveled to Harlan and Middlesboro, Ky.

Police held the attractive young woman while they investigated her story.

## Man Suffers Burns, Falls Into Fire

While working for the Davy Tree Expert company in the local district, late Tuesday morning, Harry Kennedy, aged 25 years, of the Fountain Inn hotel, suffered severe burns when he slipped and fell into a fire which had been built to burn up refuse.

It was stated at the Jameson Memorial hospital, where he is undergoing treatment, that he had received first and second degree burns of the face, arms, left chest, abdomen and left thigh.

## BOY KILLED

LISBON, O., June 2.—(INS)—The coroner reported today that three-year-old Daniel Culp of Columbiana died Tuesday of injuries received in a truck-automobile collision.

The accident occurred Monday near the Mahoning-Columbiana county border.

## Fresh Fighting In Jerusalem Despite Truce

Arabs Demand Acceptance Of Conditions In Connection With Truce

## JEWISH FORCES WITHHOLD FIRE (BULLETIN)

TEL AVIV, June 2.—(INS)—Fresh fighting raged in Jerusalem and other areas of Palestine today hours past the 3 a. m. truce "deadline."

A Jewish communique said that Egyptian forces twice attacked Israeli soil within three hours after the cease-fire was to have taken effect. In Cairo, an Arab spokesman insisted upon "political guarantees as a requisite for peace."

Battles still raged in Jerusalem six hours after the truce hour.

(Reuters reported from Amman that Jewish armored vehicles raided the settlement of Ghores Saff at the southern end of the Dead Sea, killing eight Arab policemen. The settlement lies eight miles east of the border between Palestine and Trans-Jordan.)

In Cairo, a spokesman for the Arab league said that operations will be maintained until conditions attached by the Arabs to their acceptance of the United Nations cease-fire proposal are respected.

A Jewish communique charged that Egyptian forces twice attacked Israeli soil within three hours after the truce was to have come into effect.

A Jewish communique said the first assault was made at 3 a. m. (10 p. m. Tuesday EDT) when the cease-fire was to have prevailed from 3 a. m. Egyptian infantry, supported by tanks and artillery, was said to have attacked the settlement of Negba, in the southern Negev. Negba is situated 17 miles northeast of Gaza and 31 miles southwest of Jerusalem.

No Reprisals Reported

(Reuters reported from Haifa that there are no indications that Jewish forces have taken reprisal action for the Egyptian attacks.)

(The dispatch added that Jewish forces on all fronts are believed to be still observing cease-fire orders.)

Shortly thereafter Egyptian Spitfire planes reportedly bombed the village of Huda, in the Latrun area 15 miles west of Jerusalem.

Orders had been given to Jewish forces to hold their fire beginning at 3 a. m. if the Arabs also stopped shooting.

It had not been made entirely clear where the condition of truce actually was to have been put in force by the Arabs at that hour which coincided with the deadline for acceptance of the United Nations cease-fire resolution.

(Informed quarters in Cairo said nothing is known so far about any cease-fire order to Arab forces.)

(Opinion in Cairo is that it is not likely unless before full agreement is reached in United Nations circles concerning qualifications and interpretations by both parties.)

## MAN DROWNS IN TRUCK PLUNGE

PITTSBURGH, June 2.—(INS)—Funeral services were being arranged today for John R. Vengalis, 40, a driver for the Pittsburgh Press who died when his truck plunged into the Allegheny river Tuesday.

Police were unable to explain how the accident occurred, and the coroner ordered a post-mortem which established that drowning was the cause of death.

Vengalis was on his paper route at the time of the accident.

## BELIEVE ARAB ARMIES OPERATING ON MASTER PLAN IN PALESTINE

(Continued from Page One)

would be north of Tel Aviv, along the Sharon plains, where an Iraqi brigade supported by Legion artillery will attempt to consolidate a foothold on the coastal road.

This would give the Arabs control of Nathanya, the Israeli seaside town midway between Tel Aviv and Haifa. The Arabs thus could cut off communications between the two big cities, which between them contain more than half of Israel's population.

Third Offensive  
The third Arab offensive would be along the Jerusalem-Tel Aviv highway. Although from the strategic angle, this campaign would be of lesser importance, its moral value to both sides is enormous.

Should Jerusalem fall, Arabs could contain the fledgling state of Israel was unable to protect its citizens.

Within the holy city, the 100,000 Jews now under virtual siege and blockade are remaining calm.

## Several Minor Thefts Reported

Several thefts of a minor nature were reported to city police during the past 24 hours.

Donald Cercone, 19 West Falls street, reported the theft of his Shelby bicycle, while David May, 1620 East Washington street, reported his bicycle which was found by residents on Huron avenue.

Mrs. Samuel Smith, Norris block, reported that while she was away someone stole the motor from a washing machine, and Dominick Morgan, 615 Raymond street, reported the theft of white walls from tires of his car parked at Cascade Park.

## AT LEAST 50,000 ARE HOMELESS IN WESTERN FLOOD

(Continued on Page Two)

foot at Portland today, easing the strain of the waterlogged city.

Elmer Fisher, U. S. weather bureau river forecaster, warned that warm weather in the mountains will keep the river high but added he does not expect the same crest again.

The crest was within a few inches of the all-time record high of 1894 when the flooding of the Columbia and Willamette rivers, coincided. Portland stands in a triangle at the confluence of the two largest streams in Oregon.

More damage was done this year due to increased industrialization of the area.

The corps of engineers, handling flood work, announced no official damage figures can be known until waters recede, perhaps not for days.

Loss of Vanport City alone was set at \$21,400,000.

Flooding of a cable cut off electric power in downtown Portland last night, halting all street cars, elevators and wire service facilities for eight minutes. A large residence area across the river was blacked out for several hours.

Pilot's Licenses Have Been Issued  
Penn Aero Service, New Castle Airport, reports that two private pilot's license have been issued.

James Abraham, 1212 Clearview avenue, and Louis Frisk, R. D. 1, Ellwood City, have completed the required number of hours and have received their private pilot's license.

A solo cross country flight was made by William Klingensmith, 319 East Wallace avenue, to Erie, Pittsburgh, and back to New Castle.

Another cross country flight was made by Carl W. Eagan, Neshannock avenue, to Indianapolis, Ind.

# Largest Senior Hi Class Is Graduated On Tuesday Night

(Continued from Page One)

time they would play with the band as students. The band also played the recessional, the march and chorus from "Judas Maccabaeus" by Handel.

Dr. D. L. Ferguson, pastor of Highland U. P. church, delivered the invocation.

Lewis Roy Zeigler, president of the class, was in charge of the program and first introduced Olive Virginia Black, who sang Mallotte's "Lord's Prayer". The second musical number was a cello solo by Tom Wland Morrison, who played "Allegro non troppo" from Concerto No. 1, by Saint-Saens. The introduction of the speaker followed.

**Awards Are Made**

Following the address the awards for outstanding achievement were made.

The award for English, given by The News, went to Anita Paula De Vivo and was presented by Bart Richards.

The award for Problems of Democracy, given by B'nai B'rith, went to Donald Levine. This was presented by Nathan Love. Mr. Levine also won the Latin award, presented by Attorney Robert M. White, Jr., for the Lawrence County Bar Association; the Science award by Bosch & Lomb and the mathematics award by the Pittsburgh chapter of Rensselaer Polytechnic Institute. The latter two were presented by William Margraf of the high school faculty.

The history award given by the Daughters of the American Revolution went to Dudley Arnold Lewis. This was given by Mrs. Henry Golder.

Mrs. Dorothy Gormley Smith

made the awards of the Music club. The vocal award went to Olive Virginia Black and the instrumental award to Tom Morrison Wland.

Principal Clare B. Book then presented the class to the president of the New Castle school board, Howard L. Reynolds and he presented the diplomas. Dr. D. L. Ferguson pronounced the benediction.

**List Of Graduates**

As large as the class was the exercises went off with dispatch, the entire program taking but 90 minutes. The list of the graduates follows. Those marked with an asterisk indicates the young man named has an honorable discharge from the armed forces of the United States.

**NAMED MODERATOR**  
GROVE CITY, June 2.—Dr. Jesse H. Baird, former Grove City resident, has been elected moderator of the Presbyterian Church in the United States of America.

Dr. Baird is president of the San Francisco Theological Seminary, and the brother of J. C. Baird, Grove City.

The election took place at the General Assembly, Seattle, Wash.

The name of the Canary Islands was not derived from the bird of that name, but from the Latin word "canis", which means dog.

## Union High School Memorial Program

Medals Are Also Awarded To Students During Special Exercises

Union High school students held a patriotic Memorial program in the Union High School auditorium at 9 o'clock on Monday morning.

Principal J. Arthur Turek was in charge of the program, and opened the meeting with a scripture reading. Following the pledge of allegiance to the flag, Joe Walzer and George Hunt, V.F.W. commanders of Neshannock Post No. 315, addressed the student body on the meaning of Memorial Day.

Earnest Drake, American Legion representative, awarded medals for scholarship, leadership, courage, and Americanism to Richard Matlock and Delores Bender, eighth grade students.

Underclassmen awards were given to Lynn Fowler for high honors in Latin 2, Jean Morgan and Joe Proudfoot for high honors in Latin 1.

Writing certificates and certificates for perfect attendance were also given out.

An outstanding award was given to Stella Bistya, who has had a perfect attendance record for all 12 of her school years. This was the only such award that was made.

The assembly was closed by the playing of the Star-Spangled Banner by the High School Band, under the direction of Miss Betty Robinson.

## Thomas Boyle Rites Today At New York

Funeral services for Thomas A. Boyle, former resident of this city, were conducted Tuesday at New York, N. Y. Mr. Boyle died Friday at St. Vincent's hospital, New York, according to word received here. He was a son of the late Michael and Susan Boyle.

Survivors include one daughter, Mrs. Marie Schneider, New York; three sisters, Sister M. Pierre, Pittsburgh, Michael and Joseph Boyle, both of Aliquippa.

Epic, dramatic and lyric are the three principal classes of poetry. An epic poem is a long, narrative poem that deals with events in the life of the hero or heroine. A lyric is a brief poem expressing the sentiment of the poet, and a dramatic poem emphasizes actions and deeds.

## LOOKING AT LIFE

(Continued from Page Four)

an experience I had a few years ago when I visited one of those nudist camps out west.

Look around you in the street or in the stores or anywhere you may go.

How many of the people you see—fully clothed and most of them clothed so as to show them to best advantage—are really attractive?

Just for the fun of it I made a check once right on Broadway in New York. I counted 100 women. Three were pretty, five were passable, 18 were so-so and the rest ranged all the way from awful to horrible.

Not being a good judge of male pulchritude I would say that about two I saw were pretty good looking, the rest just blah.

But in the nudist camp I visited there were no garments to hide bow-legs and knock-knees and varicose veins and paunches and stoop shoulders and all the other defects that clothes and cosmetics hide fairly successfully.

It was awful! I was so awful that I never want to see another nudist camp, and I am sure that parlor for males once legalized will make fortunes.

If you intend to open one near my home, I'll make a few appointments right now.

## Bessemer To Have D. V. Bible School

Plans have been completed for opening the annual Daily Vacation Bible school of Bessemer district.

Monday morning, June 7, in Mission Covenant church, Miss Margaret Duff, of New Bedford, a well trained and experienced worker among children, will be the leader for the school.

Sessions which will be held from 9 to 11:30 o'clock daily except Saturday and Sunday mornings, will be free to the public. Classes will be conducted for boys and girls from four to 15 years of age of all denominations. A staff of competent and efficient teachers has been secured for the school. The closing program will be presented Sunday evening, June 20, in Bessemer Presbyterian church.

## Recruiting Drive Will Close June 4

Friday, June 4, will mark the close of the recruiting drive for the 229th Field Artillery Battalion, it was announced today by Clyde D. Badger, chairman of the campaign.

There are still vacancies to be filled in the ranks of the battalion and able-bodied men from 17 to 35 are eligible. The end of the campaign will not mark the end of recruiting as the officers intend to recruit up until camp time.

## Sesqui Queen Race Is Spirited One

Betty Cray Leading Today But Is Being Pressed For Honors By Many

Your favorite candidate for Queen of the New Castle Sesquicentennial is having a busy time these days.

With few exceptions all the candidates are out disposing of pageant tickets and at the same time garnering themselves a flock of votes for the honor of serving as queen. The honor is accentuated with a trip to Hollywood for the queen and a trip to New York City for the runner-up. The third winner gets a \$50 bond, while the next 11 girls serve in the queen's court of honor.

## Miss Cray Leads

Today the standing of the first 14 of the candidates was made public. No totals are shown but it is understood a comparatively few votes separates first place from fourteenth.

The leader, as of today is Betty Cray, with Rose Di Gennaro in second place and Audreene Gribble in third place. The next 11 high candidates are Charlotte Reinhard, Barbara Lou Hamilton, Joyce Reed, Betty Jane Kwiat, Betty Flora, Jackie Mitchell, Virginia Pfahles, Marcella Klaber, Sue Dado, Virginia Kellogg, Dolly del Castello and Mary Andy.

Just below the first 14 are many contenders knocking on the door of the charmed circle. A few thousand votes could easily change the entire complexion of the race.

## Four Congregations Unite For Service

Well attended was the memorial service conducted Sunday morning in North Beaver township high school. At that time congregations of Bethel and Mt. Jackson U. P. churches united with those of Westfield and Moravia Presbyterian churches. American Legion Post No. 608 also joined in the service.

Rev. John M. Fife, pastor of Westfield church, spoke on the theme, "Memories, God and You." Rev. Fife also conducted a worship service. Following the service, the congregation assembled for a brief service around the flag pole in the school yard at the Memorial board for veterans of World War II. Preceding the indoor service, the congregation had a flag ceremony on the lawn of the school building and gathered at Battery B monument on the Mt. Jackson-New Castle road for another service.

## Get An Invitation For Former Residents

Former New Castle residents who are now residing in other cities will probably want to get back home for the Sesquicentennial July 4 to 10.

The general committee in charge of the Sesqui want to invite former New Castle people back for the celebration and has asked that the names of such folks be turned in to the Sesqui headquarters at 30 South Mercer street.

With the names and addresses in hand, the committee will send each one an invitation to come back.

## McBride Post To Meet This Evening

Members of Cpl. Harry L. McBride Post, No. 522, V. F. W. will meet this evening at 8 o'clock, in the post home, on West Grant street. The regular post meeting will be preceded by an important meeting of the House Committee, at 7 o'clock.

Plans will be made this evening for the playoff for the state V. F. W. baseball championship with the Ellwood City team. The two teams played a tie game last week, and hope to settle the title at this coming setto.

## WASHINGTON CALLING

(Continued from Page Four)

The Senate have told him that he owes it to the nation to run. One senator up for re-election had the frankness to say that he knew his only chance to win was with Eisenhower at the head of the Democratic ticket. Eisenhower's comment was that it was a great relief to meet an honest man.

Many restless Democrats on the labor-liberal-left side of the party

would be in for a surprise in the unlikely event of Eisenhower nomination. He is a strong believer in states' rights. He quotes the passage in the Constitution that specifies that those powers not granted to the Federal Government are reserved to the states or the people.

This has, of course, a direct bearing on President Truman's civil-rights program. Under the view taken by Eisenhower, the police power of the Federal Government could not be used to enforce fair employment standards or even to compel the states to abrogate their own laws setting

forth the qualifications of voters within the states.

General Eisenhower has never entirely closed the door on his nomination. He is getting hundreds of letters from veterans; these days complaining that they could be drafted, then so can he. These make a deep impression on the soldier and patriot who is deeply aware of the troubled times in which we are living.

## Erie Conference Aids In Building Church At Erie

For the first time in the history of Erie Conference of the Methodist church, the Conference is assisting in the erection of a new church building. The Conference Board of Missions has just given the Board of Trustees of Lakewood Church, Erie, Pa., a check for \$20,000 to aid in the financing of the new church building now under construction.

Rev. James A. Gaiser, pastor of First Methodist church is the chairman of the Conference Board of Missions and presented the check to the Lakewood board's president. The parsonage was made possible through the gifts of the various groups of the Women's Society of Christian Service.

The next conference building project under consideration is the Wesley Church of New Castle.

## Thank God For Muscle-Rub!

WRITES MR. ROBERT JORDAN, COLON, MISS.

Advices every sufferer from Rheumatic-Arthritic-Sciatic-Neuritic Pains to try Muscle-Rub.

Here's the true story of a man who took treatments, used all kind of remedies for his sciatic, neuritic pains without being helped in the slightest degree. Mr. Robert Jordan of Colon, Mich., suffered agony from pains in his hip-knee-calf of legs. The pain at times was so bad that he couldn't sit down. He tried several different treatments, many different medicines, all of which did him no good. He couldn't work. Life was misery for him.

Then one day he saw an advertisement of Muscle-Rub—the doctor's prescription—and in desperation bought a bottle. He used it as directed and in 3 days the pains were relieved and Mr. Jordan was back on the job.

No wonder he advises every rheumatic sufferer to try Muscle-Rub for fast pain relief. Get a bottle today at

## Former Native Of State Speaks To Lions Tuesday

W. B. Nelson Of Spokane, Wash., Tells Of Fishing Wonders Of Pacific Northwest

W. B. Nelson, of Spokane, Wash., a former native of Potter county, and uncle of Mrs. J. L. Reed, of N. Mercer street, was the speaker at the noon luncheon meeting of the New Castle Lions Club, in The Castleton, Tuesday.

Mr. Nelson, who is an ardent angler, told of the varieties of fish which are to be found in the waters of his native area, particularly Washington, Wyoming, and Montana, and how the fish conservation authorities of this district, have studied the methods of fish culture and transportation which Pennsylvania employs. Some time ago, he was sent here by the Montana fish commission to study the transportation methods used in Pennsylvania.

Mrs. Louise McConnell, executive secretary of the American Red Cross, spoke about the blood bank, which the American Red Cross is going to establish throughout the nation in the near future, whereby blood plasma will be made available to civilians at no cost, similar to the blood bank which was established for the armed services during the war. This can be secured through the Red Cross, the only charge being that of administration by the physician in charge.

E. Gene Schweinsberg, of this city, was a guest of the club.

## Senior Girl Scouts Plan Antique Show

At North Beaver Township high school, on June 4 and 5, an antique show and flower display will be presented, under the sponsorship of the Senior Girl Scouts Troop No. 1.

The event opens at noon Friday, until eleven in the evening, with the same hours on Saturday.

Net proceeds from the occasion will be used by the troop for their work during the following year. A snack bar will be in charge of the King's Daughters class of Westfield church. William Brick of Canfield, Ohio, will manage the affair.

City Accepts State Plan For  
Improvement On North  
Jefferson Street

CREEK DREDGING  
IS ALSO PLANNED

When council met Tuesday in city hall, Streets Director James Gibson introduced an ordinance agreeing to state highway department plans for the resurfacing of North Jefferson street between Grant street and Wallace avenue. The maintenance crew of the local highway department will do the work it was explained.

Mr. Gibson asked that the legal department prepare an ordinance in conformity with plans of the state water resource and power board, for the dredging of Neshannock creek between the South Mill street and South Jefferson street bridges. This is necessary before construction of the proposed bridge from Grove street extension to the west embankment is possible.

Upon motion of Finance Director Albert Hoyland, council refused permission to Chester Biddle, Union township, to connect his property with the city sanitary system. Council has, in effect, a resolution banning outside properties being connected to the city sanitary sewer system.

Streets Director Gibson submitted a motion, which passed, which authorizes the city engineer's bureau, to establish a grade on Carson street, in order that property-owners may lay sidewalks.

The city engineer's department was also asked to prepare plans and specifications for a sanitary sewer in Carlisle street between Northview and Meyer avenues.

Director of property Joseph D. Alexander was authorized to offer for bid several acres of city-owned ground in East Brook street.

Upon motion of Finance Director Hoyland, council appropriated \$12,000, per state law, to the local Officers and Employees Retirement fund. Under state law 3-10 of a mill, annually, is to be appropriated to the fund which will become operative in 1950.

The upper and lower courses of the river Nile are navigable, but its middle course is not except at very high flood, and then only with difficulty.

## GARDEN NOTES

Started plants of tomatoes, cabbages, brussels sprouts and early celery may be set out now.

Melons and cucumbers must be watched lest they run over other vegetables. Turn the runners while small and fasten them in the direction you want them to grow.

Early-flowering rock garden plants which spread rapidly, particularly phlox subulata, should be divided soon after they have flowered.

Succession plantings should go into the vegetable garden regularly. Beets, carrots, lettuce, radishes, beans, peas and corn are succession crops. Plant corn until July 1.

Prepare the soil in a seed bed for sowing of new perennials. If you start your plants early they'll be good and strong by fall and will winter through without loss.

When cutting flowers for the house do it early morning before the sun is hot. Carry a pail of water and place them in it immediately. Keep the flowers in deep water for a few hours.

HOLLYWOOD, June 2.—(INS)—Marie Wilson, stage and radio star, is the inspiration for Hoagy Carmichael's next. The comely blonde—who's partly responsible for Ken Murray's long "Blackout" run—has been named "Miss Front Page of '48" by the Los Angeles Press Club. Hoagy's tune, of the same title, will make its bow at the Press club's ball on June 14.

**Accent Trouble**  
Jane Wyman is having accent trouble, and she's blaming it all on David Niven.

"I come from St. Joseph, Mo., remember?" Jane said today. "At least, that's what I keep telling myself whenever my new affliction starts showing itself. Golly, have I pick up David's British accent!"

Jane and Niven are co-starring in "A Kiss in the Dark" at Warner Brothers—and Jane said she knew she was a goner the moment David spoke his lines to her. Now she's calling her friends "chum" in the best British tradition.

Approve Building  
Of New Carrier

WASHINGTON, June 2.—(INS)—The Senate Armed Services Committee on Tuesday approved a bill for construction of a super 65,000-

ton aircraft carrier despite lack of air force approval.

The committee voted out unanimously a measure which would halt construction of 13 warships and release more than 300 million dollars to begin work on the carrier.

Chairman Gurney (R) S. D., told newsmen that the huge carrier, which would be the world's largest

warship, was approved by two members of the joint chiefs of staff—Adm. Louis Denfeld, chief of naval operations, and Gen. Omar Bradley, army chief of staff.

Pines and related trees do not shed their leaves annually, but each leaf is shed eventually, usually after three to ten years.

**NITRATE of AMYL**

In 1867, Dr. Lauder Brunton, of Edinburgh, Scotland, became one of the heroes of medicine when he discovered a drug would relieve the terrible, frightening pain of Angina Pectoris. A few drops of this new "thing" of his—Nitrate of Amyl—on a piece of gauze, held by the doctor for a Mr. McCollum to inhale, gave relief from the intense pain of an attack of Angina Pectoris in 30 seconds.

## YWCA Committee Plans Program

New Citizens-Adult School Class  
To Be Given Program Of  
Welcome Thursday

The International Institute com-  
mittee of the YWCA has planned a  
Program of Welcome on Thursday,  
June 3 for New Citizens who have  
been naturalized during the past  
year, together with the high school  
English class for foreign born  
adults taught by Miss Jessica Jen-  
kins and the Citizenship classes at  
the Neighborhood House and Y. W.  
C. A. taught by Miss Christine But-  
ler and Mrs. Roy Long.

Judge W. Walter Braham will  
give the address of welcome and  
Mr. Clay Aubel will show pictures  
of the United States.

The program is in charge of Mrs.  
Elder Bryan, chairman, Mrs. Earl  
Smith, Mrs. Helen Stroekey, Mrs.  
Frances Roman and Miss Mary  
Tabisz. The refreshment commit-  
tee includes Mrs. Alice Fusco,  
chairman, Mrs. William Lestas,  
Mrs. Helen Stroekey, Mrs. Julia  
Belzduk, Mrs. Sophie Bukowska and  
Mrs. Lucy Gizzi.

The International Institute com-  
mittee and the Y. W. C. A. board,  
and International Institute Clubs  
will act as hostesses.

## Three More Get Pilot's Licenses

Wilson Aviation School at the  
New Castle Airport has issued pri-  
vate pilot's license to three more  
local youths.

Donald Kegarise, New Castle, R.  
D. 3, Donald Rupp, New Castle, R.  
D. 3, and Phil Vignoli, Bessemer,  
have each completed their flying  
hours to receive their private  
pilot's license on May 25.

Initial solo hops were made by  
Dick Allison, Slippery Rock, and  
Lou Sabo, Ellwood City.  
On Sunday morning, two cross-  
country flights were made. Wil-  
liam Baney, Ellwood City, flew  
from New Castle to Jamestown, N.  
Y. to Erie, and back to New Castle.  
Joseph Topolovsky, Lovellville,  
flew to Meadville via Canton, Ohio  
and Erie, and returned to New  
Castle.

## Postmaster At Ellwood Retires

ELLWOOD CITY, June 2.—  
Thomas A. Wilson, postmaster of  
Ellwood City for the past thirteen  
years, has retired. The position of  
acting postmaster has been taken  
over by James S. Newton, of Wur-  
temburg.

Mr. Wilson, who assumed the  
position of postmaster one year af-  
ter the present post office was  
built, resigned two months ago, on  
account of ill health. His resigna-  
tion was effective on May 31.

## New York Stocks

## STOCK MARKET IS IRREGULAR

Few Oil Stocks Head Higher But  
Main Portion Of Stocks  
Is Irregular

NEW YORK, June 2.—(INS)—  
Although a few oil shares headed  
higher, the main portion of the  
New York Stock Market list con-  
tinued irregular in forenoon trad-  
ing today.

Turnover continued at reduced  
levels, dropping to 250,000 shares  
in the first hour from yesterday's  
290,000.

Standard Oil of N. J. added an-  
other half point gain on top of  
Tuesday's 1 3/8 advance. Socony  
Vacuum and Gulf Oil were active  
and firm. Rail issues were heavy,  
Illinois Central dipping 1-2.

## Special Class Of North St. School Presents Circus

A circus, sparkling and glittering  
in the sun, came to town on Friday  
and found headquarters in the  
North Street school.

White wagons filled with all  
sorts of vicious animals, cages of  
ferocious lions and tigers were in  
the parade. An ostrich and a gir-  
affe lumbered along behind the  
wagons. A huge elephant, which  
suspiciously looked as though it  
were filled by two boys, strode  
along, tossing its trunk.

And last but not least came four  
clowns, tumbling along to the  
rhythmic noise of a well-pounded  
drum. There was no doubt of their  
popularity as the crowd roared its  
approval.

This circus show was sponsored  
and enacted by twelve members of  
a Special Class of the North Street  
school. It was under the direction  
of Mrs. Marguerite Fiscus, teacher  
of the class.

Following the parade, a puppet  
show, Donald Duck and Bugs Bun-  
ny" was given for the crowd by  
Bruce Roberts. A movie, consist-  
ing of thirty pictures drawn and  
painted by the class, was shown in  
another ring.

The art of a snake charmer hor-  
rificed the crowd (but not very  
much) until they were finally con-  
vinced that the snakes really were  
not so dangerous.

The "circus" was concluded by  
an exhibit of handwork in the  
classroom.

## Swing Lobby To Shift To Cascade Park On Friday

General Chairman Cecil F. Suber of the Mayor's Recreation committee today announced that Swing Lobby activities will be shifted from the Municipal Building Recreation center to Rainbow Terrace Cascade Park, Friday evening. Mr. Suber stated that dances will be held every Monday and Friday night throughout the summer. They will be for senior high and junior high students and also for Youth Canteen members. Arrangements have been made to have a special bus transportation at 11 p. m., back to the city. A police officer will be on duty at the park to see that none of the dancers is molested. Mrs. Bessie Clark, supervisor of the Recreation center, will be in charge of the dancers.

## Executive Club Elects Officers

Officers for the year were elected at a recent meeting of the New Castle Executive club. Named president, succeeding S. Glenn McCracken, was Orville Flora. Vice president is Dr. J. Wesley Post, with R. L. Meermans serving as secretary-treasurer. Another meeting of the board will be held shortly to align speakers for the coming season. This is the tenth year of operation for the club.

## To Build Dam For Beaver County Lake

Contract for the construction of a large impounding dam at Raccoon State Park in Beaver county has been awarded to the Mountaineer Engineering company, the Pennsylvania Department of Forests and Waters announced Sunday. The dam will be the first large recreational lake in the district.

The lake will have an area of at least 100 acres, the department said, and will be built on the east end of the park. The state is acquiring 1,400 acres of land for the project.

M. F. Draemel, secretary of the forests department, said the dam will probably be built before spring. Fishing, bathing, boating as well as winter sports will be encouraged on the lake, Mr. Draemel announced.

## Local Horses Win At Greenville Show

Three New Castle entries scored wins in Dollie Payne's horse show at Greenville on Sunday, May 30, in a classy field.

Harry Bradley's western horse, Rex, and Mrs. Ethel Degation's black and white horse, Champ, won the western part class, with Mrs. Degation riding Champ, and her husband, Mitchell "Red" Degation, riding Rex.

Rex next carried Miss Jean Johnson of Ray street to a second place in the juvenile class, and Mrs. Degation tallied on Champ in the Western pleasure class.

Trigger, a brown and white pony owned by C. E. Emery, placed second in the pony pairs and won in another event for ponies. Mrs. Paul Parker, of Sharpville, an expert equestrienne, next rode Rex to win the ladies egg race, Mrs. Degation finishing fourth on Champ.

Rex placed again in the fast and dangerous box race, with Glen Clinefelter of Fredonia in the saddle. Mr. Degation finished fourth on Champ. Degation suffered slight leg injuries when he collided with a box during this event.

REMEMBER that rough patch of road up yonder where the ruts and ridges make a washboard seem smooth?

Recall the tiring tenseness brought on by the drum and hum of road noise and tremor even over smooth concrete highways?

Well, clock away the miles in this stunningly styled Buick — and meet up with the sweetest answer to such matters this side of cloud cruising.

"It's a ride that's soft and smooth as velvet," folks tell us. And we tell them it comes from a host of things.

It comes from the ample road-weight of a two-ton car built low and wide — and so beautifully balanced it handles light as a baton.

It comes from the leveling buoy-

ancy of Buick's all-coil springing which puts a pillow of deeply coiled steel at each wheel to soak up the bumps and ripples.

It comes from the softness of bigger, lower-pressure tires that cushion away road tremors and roughness — from the sure-footed, swerve-free steadiness of Buick's extra wide Safety-Ride rims, widest in the industry.

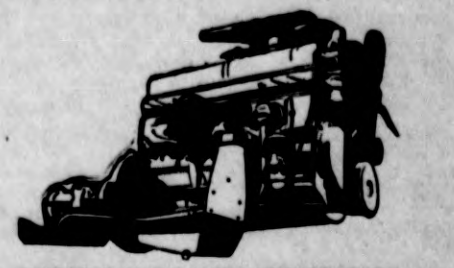

And it comes in special measure from a brand-new engineering gem we call Vibra-Shielding which banishes vibration build-up.

Here for the first time you're freed from the motoring fatigue brought on by tiny tremors piling up into bigger ones. Here your miles are made moss-smooth and quiet — long journeys become mere jaunts.

So why delay knowing the most buoyant answer to any road you ever traveled?

Come visit us now. Know at first hand the distinctive styling, the flashing action, the velvety ride over highway and byway that are Buick's and Buick's alone.

Then follow your heart's desire and get your order in promptly. We'll take it in proper sequence whether or not you have a car to trade.

REASON FOR THE VIBRA-SHIELDED RIDE  
Placed with scientific exactness, 3 fat cushions of special composition cradle the engine so as to control its vibration frequency. Engine vibration is thus kept "out of tune" with those that might come from other parts of the car. The result is to shield car occupants against firing pulsations, cut road noise, make engine sensation almost imperceptible and motorer practically fatigue-free.

BUICK alone has all these features:

- \* DYNAFLOW DRIVE (Optional, Roadmaster Series)
- \* TAPER-THRU STYLING (Super and Roadmaster)
- \* VIBRA-SHIELDED RIDE
- \* SAFETY-RIDE RIMS
- \* HI-POISED FIREBALL POWER
- \* ROAD-SITE BALANCE
- \* RIGID TORQUE-TUBE
- \* QUADRI-FLEX COIL SPRINGING
- \* SOUND-SORBER TOP LINING (Super and Roadmaster)

## Industrial Meet Planned June 12

For the eighteenth time the annual Western Pennsylvania Industrial Conference will meet in Pittsburgh June 12. In attendance will be men interested in personnel and industrial relations work in the western end of the state. In 1947 there were 950 registrations from 87 companies. This year it is hoped the attendance will be increased.

W. Earl Leslie of New Castle is a member of the attendance committee and of the committee on conference reports. Any person interested in attending the conference can get registration blanks from him in Rooms 221-222 in the Lawrence Savings and Trust building.

## Power Company Receives Award

Pennsylvania Power company has received second award in the 1948 Better Copy Contest of the Public Utility Advertising Association for its annual report to stockholders.

The award was presented at the recent convention of the association. The company's award was in the class which covers power companies throughout the United States up to 100,000 customers.

The first award went to the Arkansas-Missouri Power company.

WIN CONFIDENCE VOTE  
PARIS, June 2. — (INS) — The French government of Premier Robert Schuman won a 302 to 183 confidence vote Tuesday in the Chamber of Deputies.

Schuman demanded the vote last Friday. There had been mounting criticism of certain measures in Finance Minister Rene Mayer's bill providing for dismissal of 150,000 civil servants.

### Legion State Convention Is Set For August

PHILADELPHIA, June 2—Plans for the 30th annual state convention of the American Legion, being held here August 18 to the 21st, will be under the direction of Walter E. Alessandrini, who was named president of the Convention Corporation, it was announced today.

The convention corporation, embracing twenty-six committees, with headquarters at 1808 Summer street, will formulate plans to house seven thousand delegates, and an additional seventy-thousand visitors.

Pointing to the more than three hundred thousand members of the Legion in Pennsylvania, Alessan-

droni, who is executive director of the Philadelphia Housing Authority, said it would be the largest state Legion convention to be held anywhere. Sixty per cent of the membership are veterans of World War II, he said.

Present plans include a parade, expected to last six hours, with representatives from each of the state's sixty-seven counties participating; the drum and bugle corp competition, for state championship, to be held in Municipal Stadium where more than fifty thousand persons will witness the event; and memorial services which will officially open the convention Wednesday evening, August 18.

Christopher Colles, Irish engineer, came to the United States before the Revolution and delivered lectures in New York on penumatics, gunnery and inland navigation. One of the first steam engines made in America was designed by him.

John Robinson (1575-1625) was pastor of the Pilgrim Fathers. It is thought he was born at Lincolnshire, England, and ministered to a church near Norwich until he was suspended for his Puritan tendencies. Later he and his flock escaped to Amsterdam, Holland, and in 1620 he saw the young members of his congregation set sail in the Speedwell, which vessel they afterwards changed for the Mayflower.
